

Full Day

BLUE MOUNTAINS

Blue Mountains

Visit the Blue Mountains, an amazing world heritage listed wilderness at the door of a world-class city. This massive natural wonderland is brimming with sandstone cliffs, deep green forested valleys and fresh clean mountain air.

Options include:

- Track down kangaroos in the wild
- Visit an area where cars appear to roll uphill
- Listen for bellbirds
- Ride the world's steepest railway
- Admire The Three Sisters (Echo Point)
- See aboriginal paintings
- View amazing scenery & beautiful waterfalls
- See glow worms in an old railway tunnel
- Visit Jenolan's limestone caves

What to bring with you

Bring comfortable walking shoes, hat, sunscreen, sunglasses, camera, water bottle and a jacket. At over one kilometre above sea level. it is generally about 6 degrees cooler than Sydney city.

Northern Beaches

Our Northern Beaches Tour shows off a secluded paradise within a city. With stunning beaches, beautiful national parks, sparkling waterways and a laid back beach culture, it would be difficult to find a comparison elsewhere in the world.

Options include:

- Visit Sydney's amazing rock pools
- Walk on a deserted beach
- Look for native lizards
- Visit Sydney's famous suburban beaches
- See Aboriginal carvings
- Explore Sydney's bushland
- See Summer Bay from Home and Away
- Walk to a lighthouse
- View the Sydney skyline at night

NORTHERN BEACHES

Full Day

Full Day

Want to walk with wild kangaroos?

Come track down kangaroos in the wild with us. We head to the Blue Mountains or outer Sydney where we normally see as many as a dozen kangaroos, playing, eating, sleeping, etc

WILD KANGAROOS

Want to see kangaroos in town?

If you prefer, we can take you to a town where Eastern Grey kangaroos hop freely through town. We often see them jumping down the streets or in people's gardens.
